ELEANOR EELLS AWARD FOR PROGRAM EXCELLENCE

We are so proud to announce that our Leadership Training Program is the recipient of the Eleanor Eells Award for Program Excellence! The award was given at the American Camp Association's National Conference this February in Chicago. Only 100 camps have been recipients of this award, which was created in 1976 to honor camp pioneer and philanthropist, Eleanor Eells.

Rachel, Margaret, Garon and Mary

Leadership Training is almost as old as camp itself, founded in 1942 as a way to prepare teenagers to step into leadership roles in community and neighborhood centers, vacant as a result of World War II. Since then, the program has undergone many changes to adapt to the evolving needs of youth. Today's Leadership Training program uses wilderness adventure and counselor-in-training experiences to help teens discover, develop and put to use their leadership abilities. One hallmark of Leadership Training unchanged since the beginning of the program, is its emphasis on community service. Our 3000 leadership graduates have given 46,000 hours of community service, the equivalent of 23 years of fulltime work!

Leadership graduates, Garon Holman '82 and Rachel Presley '86 joined us at the conference to receive the award on behalf of Sherwood Forest and all of their fellow Leadership campers.

Garon, Rachel and Ann Sheets, President ACA

THE BLUE JEAN BALL "GOES TO THE DOGS"

When we held the very first Blue Jean Ball at the home of Felix and Susan Williams, they graciously agreed to host the event until we outgrew their space. Well, after just four years, we have outgrown the Williams' home!

It's great to think that our signature fundraising event has grown so rapidly, but could we possibly find another site with as much to offer? We did worry a bit. But the day we visited the AKC Museum of the Dog in Queeny Park last fall, we knew our worries were over!

The historic Jarville House and original Queeny family home is on South Mason Road just inside Queeny Park. With a lovely addition on the old home featuring a large event room, an outdoor courtyard, and surrounding stately grounds, the "Dog Museum" is a perfect new home for the Blue Jean Ball. There is plenty of parking, modern bathroom facilities and lots of places to enjoy a drink and chat with friends, shop in the Silent Auction or dance the night away.

Please mark your calendars for the evening of Saturday, May 13th and join us as the Blue Jean Ball "Goes to the Dogs!"

ANNUAL DINNER

A chilly winter evening, fires blazing in the fireplaces, members of the camp family gathered in an old dining hall, grace sung before dinner, a candle ceremony. Sounds just like camp, doesn't it? However, this camp event, the 2005 Annual Dinner, took place five minutes from Highway 40 at the Deer Creek Club in Ladue.

Mary Rogers and Dorothy Jacobsen

We gather every year to thank and recognize staff, campers, donors and volunteers. This year we heard from two graduates of Leadership Training, recognized our Five Year staff, inducted new members into our Giving Society, and thanked the chairs of past Blue Jean Balls and Annual Dinners. Dion Edwards '05 and Rachel Presley '86, both who were campers for nine summers, spoke about the effect of growing up at camp. Kitchen Manager, Verna Schneider was this year's sole recipient of the Five Year Pin.

Donning their Robin Hood hats, President Betsey Comfort and Executive Director Mary Rogers presented certificates for new members of the Locksley Chase, Fountaindale, Nottingham and Ancaster Guilds. Framed pictures, signed by campers and staff were presented as thank-you gifts to Pat Hopmeier, Dorothy Jacobsen and Sue Levin for their work on recent Annual Dinners. Blue Jean Ball hosts, Felix and Susan Williams, and Blue Jean Ball leaders Cindy Becker, Julie Farrelly, Molly Ittner, Rachel Presley and Stacy Turley received similar thank-you presents.

Campers at the Annual Dinner

Special thanks to our sponsors, The Kellwood Company and Bill Comfort, and to Tracy Grypp and Pam Jacobsen, our co-chairs, and to Dorothy Jacobsen for her financial support and guidance.

SATURDAY GAMES

Dion Edwards just graduated from Leadership Training at the end of last summer. At the Annual Dinner last month, he spoke about the impact of camp on his life. Dion's been a camper at Sherwood Forest since he was eight years old. That is when his mother, Adora, a registered nurse, sent him and his older brother, Gabe off to camp.

Mary Rogers

Dion told us that at first he didn't want to go, but once he got to camp, he changed his mind! As he grew up, he came to love camp more and more, so much so, that he decided early on that he would get passing grades in all of his classes, so as not to have to go summer school and miss camp.

In the last two years of Leadership Training, campers begin to learn through experience as counselors-in-training, the skills needed to work at camp. Dion confessed that he didn't really like little kids too much when he began counselor-in-training work, but soon discovered that younger campers looked up to him, respected him, and liked being with him. Dion was cool and as he gained skills in working with younger campers, he also grew to like them more.

At the end of the summer, one of Dion's neighbors, a little boy who lived next door, stopped by to see if Dion would be home. He wanted Dion to play with him, but Dion, being a cool teenager, wasn't so excited about this. He did agree to spend some time with the little boy, who delighted in learning camp songs and games.

One Saturday last fall, rather early in the morning, the little kid knocked on Dion's door to see if he would come out and teach some of his friends camp games. It was really early for a teenager, and Dion did not want to, but he also didn't want to disappoint his little neighbor, so he got dressed and went out to meet the kids. There were twenty elementary school children, all eager to learn the most popular camp game, "Come Fishes, Come!" However, there wasn't nearly enough room in the front yard, so Dion led twenty excited little neighbor children to the park, where he taught them how to play, "Come Fishes, Come!"

Dion's mother, Adora, is rightfully proud of both of her sons. As Dion's first camp director, I share her pride. I'm thrilled that he gets good grades in school and is a winning member of his high school's wrestling team. It makes me smile from ear to ear to hear Dion's obvious love of camp. But my heart just practically bursts when I hear Dion talk about teaching camp games and songs to his younger neighbors early on an autumn Saturday, and not just because he's being a wonderful camp advocate. At sixteen, Dion is practicing how to be a good neighbor, a caring adult and a loving parent. Those are some of the most important lessons that growing up at camp teaches.

Dion Edwards and Adora Brice

PRESIDENT'S SCHOLARSHIP

The President's Scholarship was established as a big thank-you to Ted Isaacs, who just completed two terms as President of the Board of Directors, and is one of only four people in the history of the organization to do so. Members of Ted's family and his friends contributed to the fund to honor him for his accomplishments as Board President. Some donors were also responding with the only kind of

present Ted told his wife, Judith, that he wanted to mark his 40th birthday. Our goal is to raise \$30,000, and as of January 31, 2006, with contributions still coming in, the Scholarship Fund stands at \$13,305. Watch for the Fall 2006 newsletter, which will feature the first Leadership camper recipient of the President's Scholarship!
